

We will be holding a public information session!

Kasukabe City is working to create better facilities so that it can provide sustainable services for the future. The elderly day-care service program previously conducted at the Health and Welfare Center (Yukku Takesato) was discontinued at the end of the 2024 fiscal year. We will hold a public information session regarding the utilization of the Health and Welfare Center and surrounding public facilities.

Venue

Health and Welfare Center (Yukku Takesato), 1st Floor
〒344-0023
Takesato Danchi Block 7, Building 4, 89 Oeda,
Kasukabe City

No advance
registrati
on
required.
